WOW! It's May already! Where did the time go? Thank you, Elf families for all of your support this year with snack, parties, and field trips. We have had an amazing time with your sweet children and are in awe of how much they have grown! They are capable kids with so much to offer the world. We have tried to keep track of all birthdays and un-birthdays so everyone can celebrate their special day, but as you know, it can get a little crazy so if we have left someone out please let us know ASAP so we can schedule their special day.
